January 19th, 2020

Call to order

A meeting of the Dalbrae SAC was held via Zoom on January 19th at 6:00 p.m. and was called to order by Colleen Smith. Attendees included Diane MacDonald, Colleen Smith, Glenn Freimanis, Cindy MacDonald, Fiona MacEachern, Christie MacDonald, Carol Smith, and Charlotte MacDonald.

Old Business

- Adjustment to minutes: Glenn not in attendance at last meeting
- Minutes approved: Colleen motioned to approve, Fiona seconded
- Update on account. Carol said only thing not received is two storage cabinets from Ikea. They are in a holding warehouse in Sydney, and we're having trouble getting them delivered because they're over 500 lbs. They may be here this week. \$2049.12, there was \$1,000 from the municipality for the bikes, they are delivered but they don't have the invoice. There's about \$800-900 left in the project.
- Colleen asked Glenn if he had an update about pricing for the sign. He and Cindy called Maple Signs. She was sent a quote for a 4x6 sign. The sign is made to withstand weather and time. Quote includes artwork and it was \$579.74.
- Artwork for the sign: Christie has asked a few times about the design but it would be best to just go with a design from Maple. Cindy will call tomorrow to get that worked up.

New Business

- Colleen asked for new business.
- Carol principal report: SRCE took away all school based funds from all schools. Schools can't cut cheques anymore, no funds at the school level. All invoices go to them and they cut all the cheques and do reimbursements. They have a very small amount of petty cash on hand.
- Next week is exams, HeadStrong passed out exam kits, funding from SchoolsPlus and school
- Full time teacher being hired for engagement, specialized support
- Looking for 5th TA for a student with significant medical needs, waiting to be approved
- NSSAF: we'll find out about on Friday.
- Fiona asked if attendance is down compared to last year. Carol said it's 10% at least every day. A number are not attending school right now.

Announcements

- Next meeting to be held March 9th at 6:00 p.m.
